ABOUT

We are comparatively a young law firm albeit we have an extensive international exposure in a wide spectrum of legal issues. We have an international network of associates around the world which could provide unmatched and unparalleled support and services to our Global Corporate (both Foreign and Indian) and individual clients. Our dedicated team members specialize in issues that have global implications. Among our team members are Canadian, British and US citizens holding Overseas Citizen of India (OCI) cards. We pride ourselves in dealing with clients' issues with the highest degree of privacy and confidentiality in accordance with international standards and norms. We are a class apart and in our endeavour to provide outstanding services, we actively seek input from IT experts, Programmers, Economists, Researchers, Analysts, Chartered Accountants, Engineers and other professionals.

Our strength lies in providing excellent level and quality of support to Global Corporate giants and MNCs looking at India as business and investment destination. Large Indian Corporate houses seeking assistance in any type of overseas legal affairs will also find in us a trustworthy and reliable partner. Our in-house research team is well equipped to prepare high quality legal and technical background research and survey papers before the entry of MNCs into India in an industry and area of their choice. We have expertise in carrying out world class legal research work employing latest econometrical, statistical and mathematical techniques using state of the art software like Eviews, SPSS, SAS, Gauss, WINRATS, CATS, MALCOLM, PcGive, STATA, NU*DIST, Matlab, Shazam, Mathematica, Limdep, etc. We are rapidly and constantly evolving in development of databases. We provide outstanding outsourcing support to our global clients in various ways viz. legal research, litigation, assistance in drafting and preparation of legal documentations, filing of papers and liaison with relevant authorities in India and abroad, obtaining regulatory approvals and licensing, etc. thus facilitating their stress free and seamless entry into India.

As the raison d'être for the nomenclature associated with our firm's name itself suggests we are a firm with global vision. Our strength lies in catering to the immigration and overseas law affairs, litigation, legal research and legal outsourcing requirements of Global Corporate Giants, MNCs, Indian Corporate Houses, NRIs, Foreign and Indian Banks and Foreign Financial Institutions etc. We possess expertise in dealing with a wide array of legal affairs e.g. applying for PR and various kinds of visas (both Inbound and Outbound), Refugee cases, Deportation Cases, Appeals, litigation needs of MNCs and Big Corporate sector (both Foreign
