

The *IND Solutions* publishes papers in areas of child and youth welfare, rural and environmental issues. Correspondence relating to the contents of the Journals should be sent to the editorial office by e-mail on indsolutions@hotmail.com.

Manuscripts may be in English and should be submitted as a PDF file. The submission is not complete if the confirmation email has not been received. For a first submission, the main text must be double-spaced, and footnotes and references may be single-spaced. Assuming a standard 11 pt. font or typeface and 1" margins, the manuscript should be no longer than 35 pages, including footnotes, references, tables and graphs. Font sizes ranging from 10 pt. to 12 pt. are acceptable.

For papers including empirical work, it is strongly recommended that authors provide an appendix or a link where the data and the procedure to replicate results are described. For papers including experimental work, authors should submit with the paper the experimental design so that referees can judge of the appropriateness of the experiment.

Any correspondence should be addressed to the Editor, IND Solutions Publications (Grameen - the Quarterly Journal of Rural India/Quarterly Journal of Indian Children and Youth/or any of the Monthly e-Newsletters viz. Indian Children's Voice, Green India and Rural India Observer)
